

Constant Gallonage Monitor Nozzle

Style 825

- Combination pattern, master stream nozzles with a fixed constant flow.
- Flow rate is factory preset to customer's specification.
- Simple, rugged nozzle with superior stream quality and reach.
- Large handle enables easy stream pattern management.
- Lightweight alloy makes portable efficiency.
- Handles on both sides make twist shutoff easy to operate.
- Inbuilt stream shaper for maximum reach.
- Nozzles are adjustable from straight stream to a dense fog pattern.
- Compatible with Protek's wide range of monitors.
